Re: **Approval Letter** Effective Period: 09/06/2016 - 05/19/2018  
Vendor Bid Id Number: 28553

Dear Tera Webb:

Thank you for completion of your District Vendor Registration Application. The Office of Supplier Diversity has completed its review of your application to determine your eligibility for the District's Small Business Enterprise Encouragement Program.

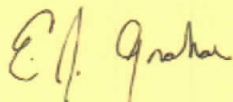

We are pleased to advise you that your company has been approved as eligible for registration with the District's Encouragement Program for the effective dates outlined above. This registration will allow the District to recognize its expenditures with your company as assisting its vision of reinvestment in the small, women and minority business sector on a local and national basis.

You should notify this office within 14 business days upon any change in the control or operation of the business.

Notices of Invitation to Bid/Requests for Proposals will be made automatically to you by e-mail as a service of the VendorBid program instituted by the District's Purchasing Department. Design professional services, construction management and general contractor firm opportunities will receive project communication by the District's Planning & Construction Department through VendorBid.

Thank you for your participation with the Hillsborough County School District and its Office of Supplier Diversity. Should you have questions, you may contact us at (813) 635-1240.

Sincerely,

Eric J. Graham  
Supplier Diversity Officer
